# \$350,000

For Saskatchewan's First Breast Health Centre  
Located at Saskatoon City Hospital

## A Message from the title sponsor

"The Campaign 'NPink is one of our province's great stories of success... how one person's dream ignited and became the dream of thousands in hundreds of communities across our province. That dream became reality through commitment, hard work and a passion to make a difference. That difference will be immense to many who are diagnosed and require support and treatment for breast cancer. Concentra is pleased and honored that Francesca gave us the opportunity to be a part of her dream."

## Grassroots Campaign Captures Saskatchewan Hearts

Campaign 'NPink was a tremendous success! Thousands of people throughout the province embraced and supported a survivor's campaign for Saskatchewan's first Breast Health Centre.

'NPink Events were held all over Saskatchewan. Church & Community Halls were transformed into an oasis of "Pink"; pink balloon bouquets, pink butterflies, pink flowers, small white lights intertwined with pink tulle... Tables were lavishly prepared with pink decadent desserts and sparkling punch bowls filled to the brim...

Guests arrived wearing every shade of pink imaginable. Father Mirek Misiura of Wilkie, SK and Fred Seidel of Kindersley, SK arrived at their events sporting bright pink wigs, leaving Father David Polzen of Leader, SK and John Fiest of Coleville, SK with no choice but to do one better and dye their hair pink! 'NPink Events were Funtastic. Bev Brooks of the Prairie Centre Credit Union Rosetown Branch stated, "Prairie Centre Credit Union was proud to partner with Campaign 'N Pink in our quest to see that women in Saskatchewan have access to an advanced Breast Cancer treatment facility."

The participation and support received throughout the province was as remarkable as it was phenomenal! The Campaign became an amazing grassroots interdenominational movement 'NPink. Thank you to the many churches, groups, clubs and organizations for their outstanding support and backing of the Campaign. Special recognition is extended to the Catholic Women's Leagues throughout Saskatchewan for hosting many of the 'NPink Events.

The \$350,000 raised was a direct result of the thousands of people who gave so generously of their time, talents, and money.

Saskatchewan, you are second to none! Thank you. *Francesca Iosca-Pagnin*
